Document Type: Procedure	Revision: 0	Effective Date :

1. PURPOSE

-The purpose of this procedure is to provide for action to prevent occurrences of non-conformities.

2. SCOPE

-This procedure covers the activity of determining actions to eliminate the causes of potential non-conformities in order to prevent the occurrence.

3. RESPONSIBILITY

-The Section Head is responsible for ensuring that preventive actions are determined, implemented, recorded and reviewed by relevant officials.

4. DEFINITION

-Nil

5. ACTIVITY DESCRIPTION

5.1 The Section Head determine potential non-conformities and their cause through a planned programme of inspection and testing. Such programmes shall take into account statutory requirements, manufacturers' specifications, and appropriateness to the effects of potential problems, operating conditions and performance history.

5.2 The Section Head shall evaluate the results of inspections and tests and decide on appropriate preventive action. He shall then proceed to implement the necessary preventive action.

5.3The Section Head shall record results of action taken on appropriate forms.

5.4 The Section Head shall carry out periodic review of preventive action taken.

5.5 Some process like Line Maintenance, Substation Maintenance, Annual Stock Takes, Cash Counts, Billing have appropriate preventive action records system inbuilt into the process. Such records shall be implemented and maintained accordingly.

5.6 Where a process does not have a Preventive Action recording system, the Preventive Action Form shall be used.
