STEP 5 - On Region

Select your region from the drop down menu

The screenshot shows a web application interface for 'Business Excellence'. On the left is a dark blue sidebar with navigation links: Home, Business Applications, Knowledge Centre, Processes and Procedures, Competence Building, Inbox, and Plans & Reports. The top header is light blue and contains the 'Business Excellence' logo, a search bar, and user information for 'Ruvheneko Mukudu'. The main content area has a breadcrumb trail: Home > Pettycash > Create Pettycash. The form contains several fields: 'Section' (Information Technology), 'Details of expenditure' (Laptop Power Pack), 'Amount' (42.13), 'Currency' (ZIG), and 'Region' (HARARE REGION, which is highlighted with a red rectangle). At the bottom, there is a 'Quotation file' section with a 'Choose File' button and a 'No f...osen' label. At the very bottom are 'Back' and 'Submit' buttons.

STEP 6 - Quotation field

add an attachment from your local device. *Note that random text will be added by the system on attachment file title.*

STEP 7 - Workflow Details

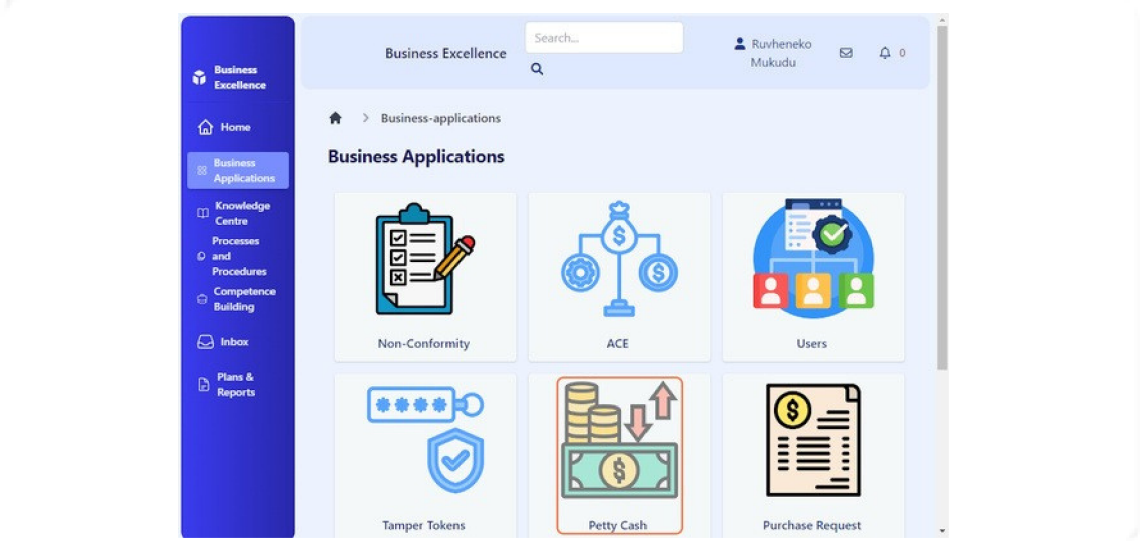

Petty cash authorizer’s tab color changes from blue to green to confirm the approval was successful.

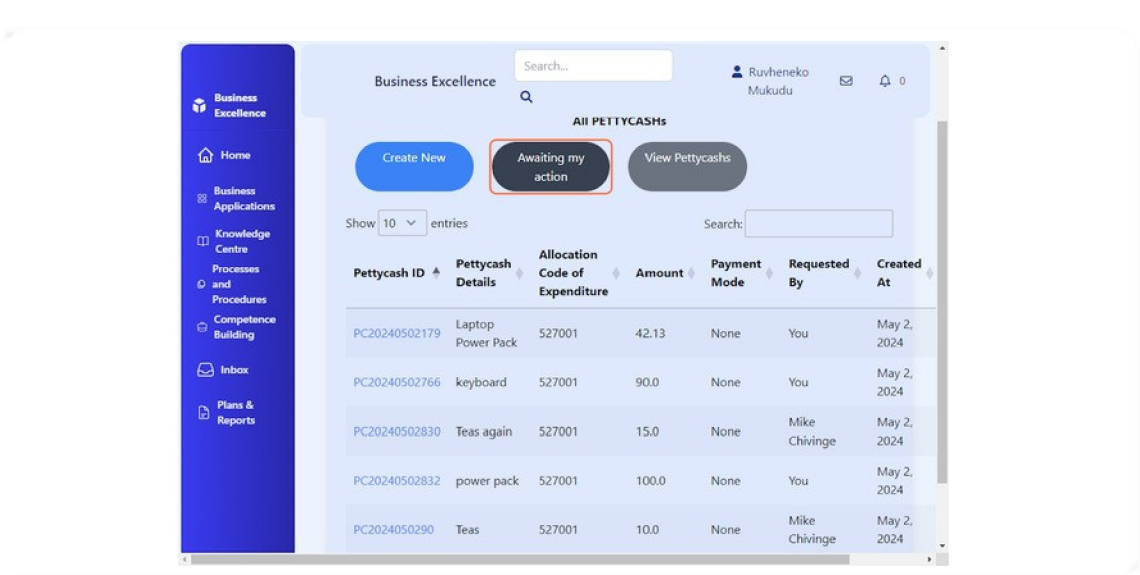

STAGE 6

STEP 1 - Click on **Petty Cash (Cashier)**

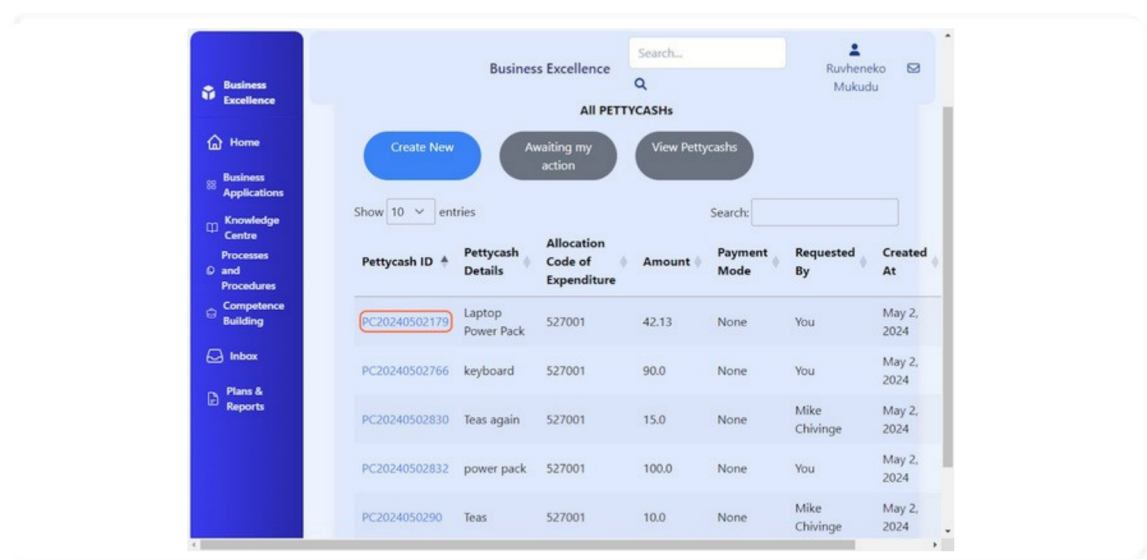

From Business applications select petty cash for the next approval stage(Cashier)

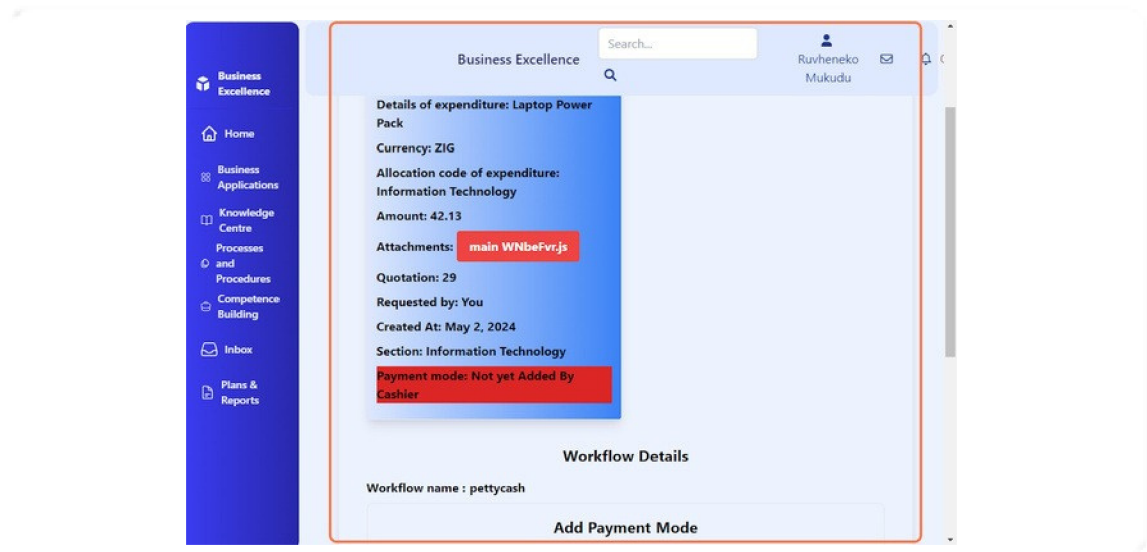

STEP 2 - Click on **Awaiting my action** to view transactions awaiting actioning

STEP 3 - Click on **PC20240502179** (Petty Cash ID) to View its details.

STEP 4 - Petty Cash Details

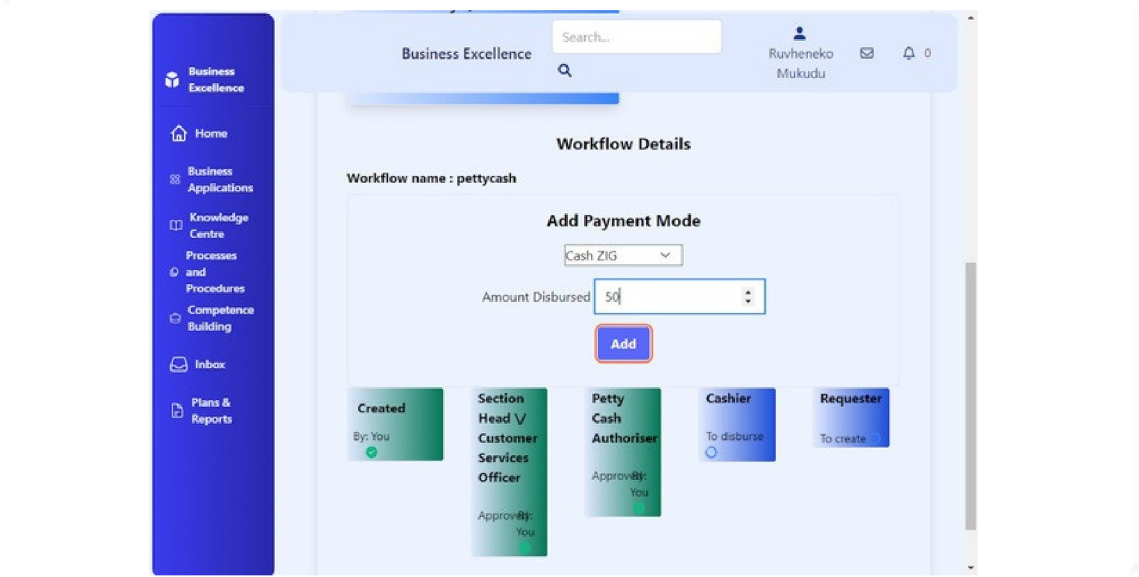

STEP 5 - Under Workflow details
Select a payment mode from the dropdown menu

The screenshot shows the 'Workflow Details' page for a workflow named 'pettycash'. On the left is a blue sidebar with navigation links: Business Excellence, Home, Business Applications, Knowledge Centre, Processes and Procedures, Competence Building, Inbox, and Plans & Reports. The top header includes 'Business Excellence', a search bar, and a user profile for 'Ruvheneko Mukudu'. The main content area is titled 'Workflow Details' and shows 'Workflow name : pettycash'. Below this is the 'Add Payment Mode' section, which contains a dropdown menu currently set to 'Cash ZIG', an 'Amount Disbursed' input field, and an 'Add' button. At the bottom, there are five status cards: 'Created' (By: You, green), 'Section Head V Customer Services Officer' (Approver: You, green), 'Petty Cash Authoriser' (Approver: You, green), 'Cashier' (To disburse, blue), and 'Requester' (To create, blue).

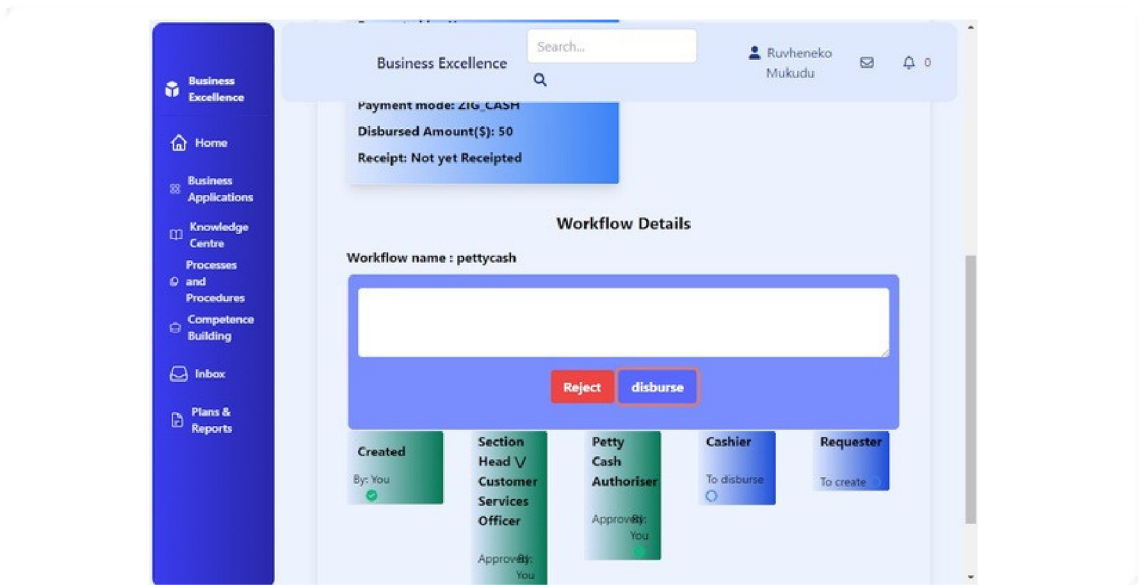

STEP 6 - On amount disbursed
Type in the amount your are disbursing to requester

This screenshot is identical to the previous one, but the 'Amount Disbursed' input field now contains the number '50'. The rest of the interface, including the sidebar, header, and status cards, remains the same.

STEP 7 - Click on Add

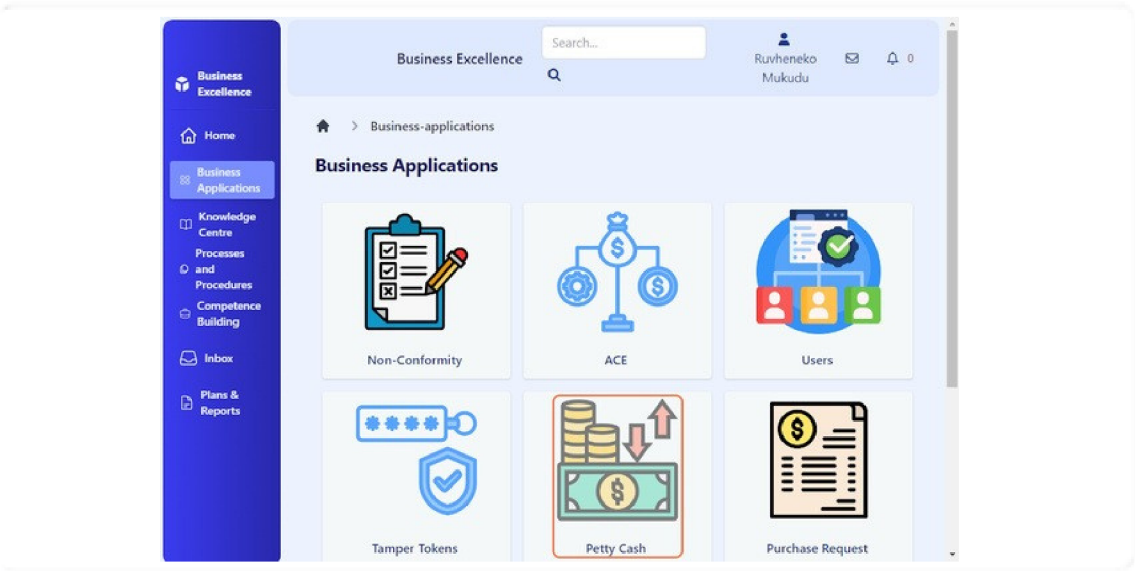

STEP 8 - Click on disburse

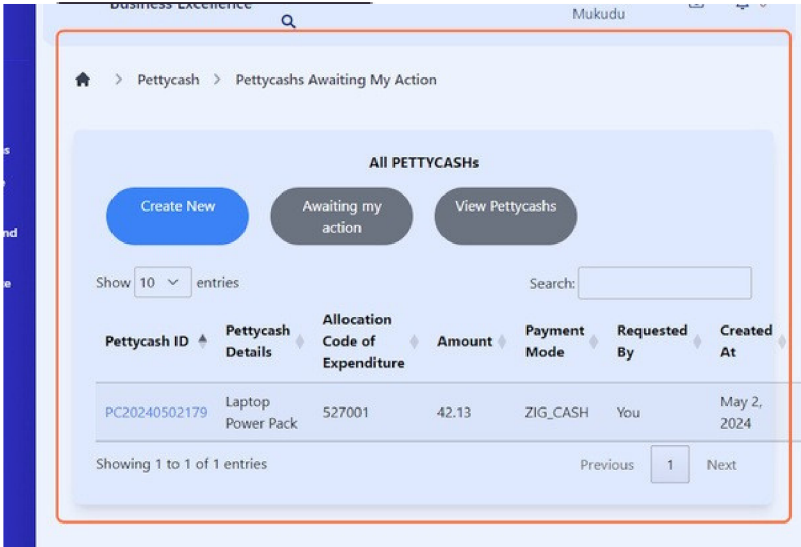

STAGE 7 - Requester

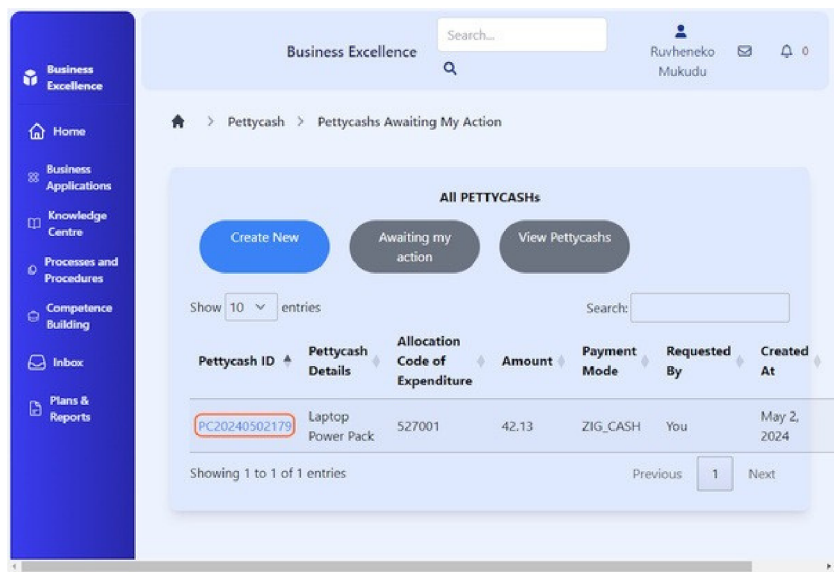

STEP 1 - Click on **Petty Cash** from business applications. After purchase, the requester should clear the transaction

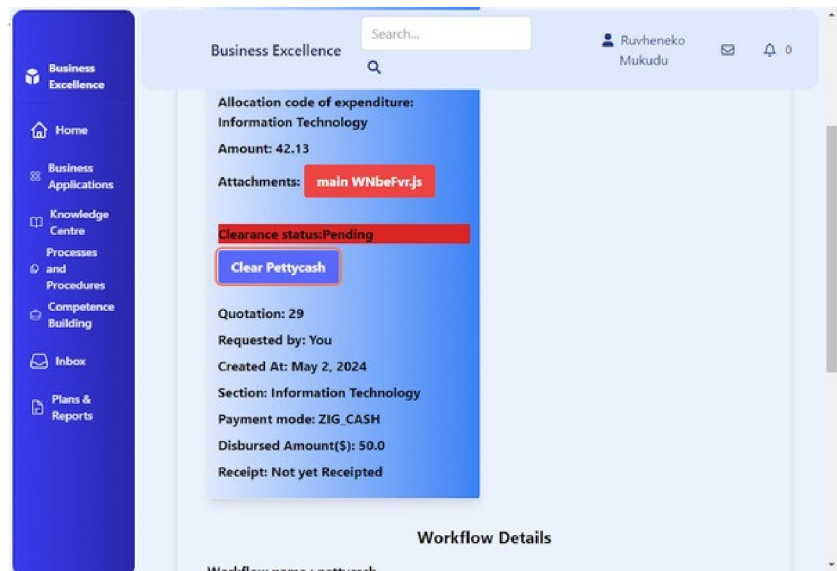

STEP 2 - Click on **Pettycash**

STEP 3 - Click on **PC20240502179** (Petty Cash ID)

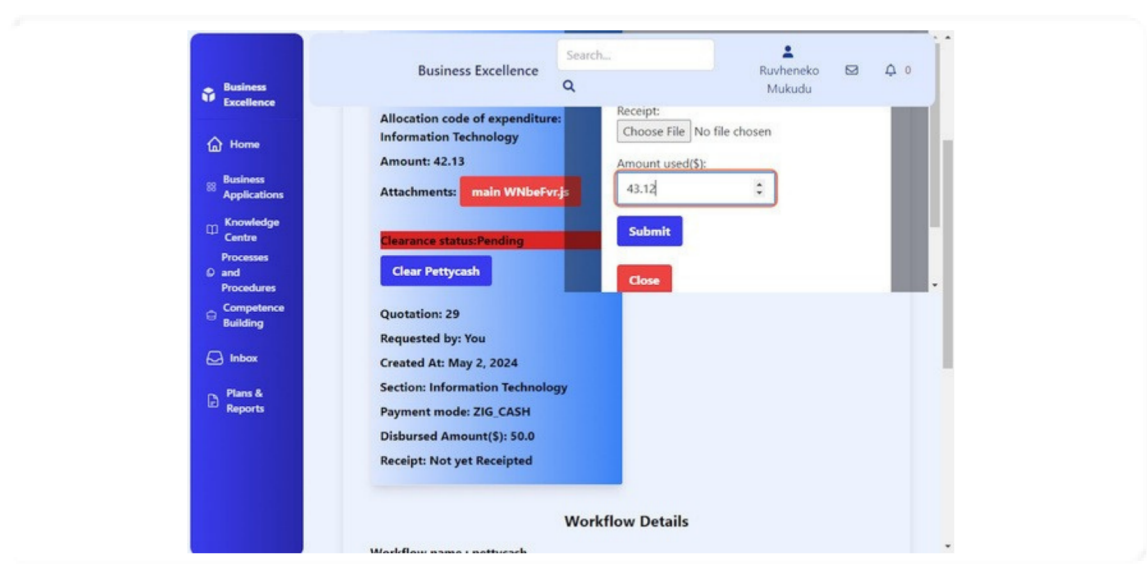

STEP 4 - Petty Cash details

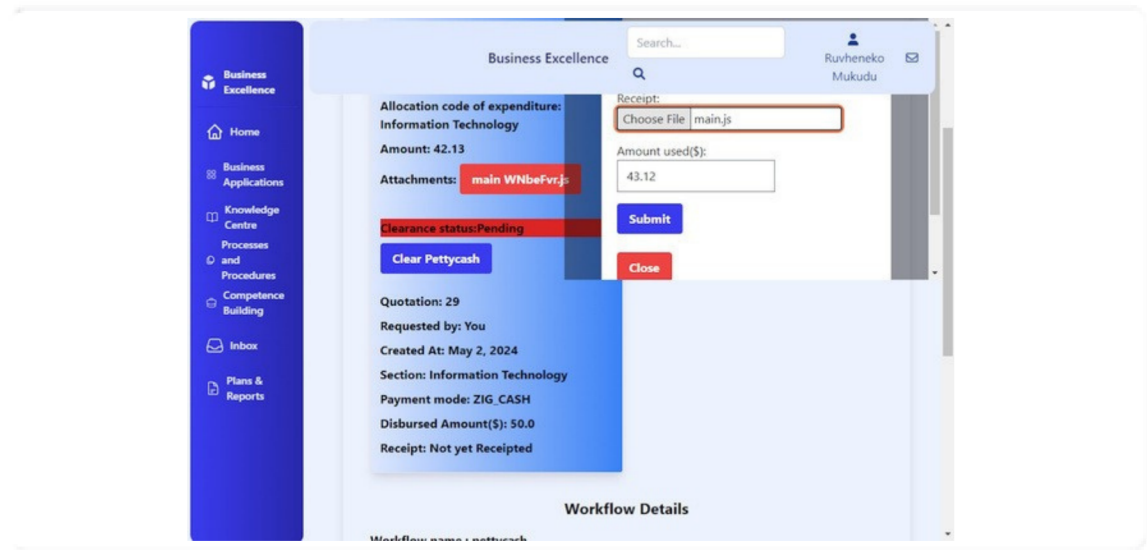

STEP 5 - Type Amount used

Here requester clears the transaction by inputting the actual amount spend.

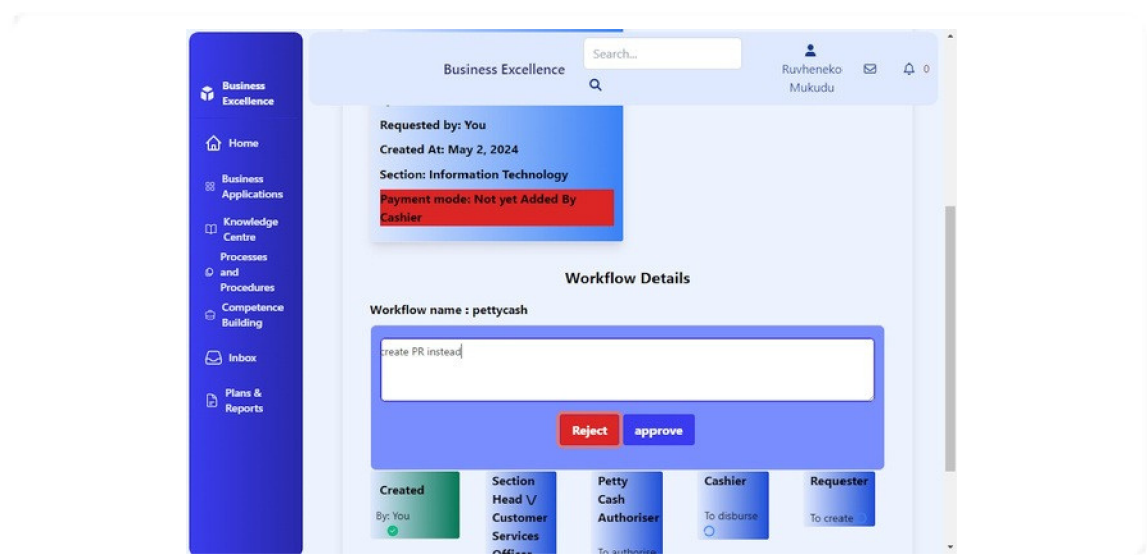

STEP 6 - Select receipt

Upload a receipt from local device of the bought items

Rejecting option - Under Workflow

Type in the reason for rejecting(if rejecting) the transaction and click on reject as section head or petty cash authoriser or cashier.

Section head tab, shows the transaction has been rejected
