The Dean Academic
The University of Zimbabwe

Dear The Dean Academic

RE: Application for results of repeat course HCT 201

I am writing this letter as a request to enquire on the issue where I cannot see my results on this course on my Emhare account. I consulted with the faculty and was advised to write this letter addressed to you.

My registration number is R179640t and I am doing the program HBSCTC

Kind regards yours,

Ashley Mugwambi
