Quality Planning Procedure

A PURPOSE

The purpose of the Quality Planning Procedure is to ensure that the ZEDC processes procedure output which meet specifications.

B SCOPE

This procedure covers all activities which relate to Quality Planning.

C RESPONSIBILITY

The responsibility of drawing up quality plans lies with the Engineering Manager.
The responsibility of ensuring that quality plans are being implemented lies with relevant Section Head.

D ACTIVITY

1. All Area Processes have Quality plans as described in the attachment.
2. All Activities shall be within the confines of the attached quality plans.
