

ZETDC EASTERN REGION		
Document No:	Title :nonconformity and Corrective Action	Number of Pages :
Document Type: Procedure	Revision: 0	Effective Date :

1. PURPOSE

This procedure describes how non-conformities are identified, corrected and prevented.

2. SCOPE

This procedure applies to all non-conformities (actual or potential) which may be identified at ZETDC Eastern Region. The non-conformities may be related to the system, activities, products, or operations.

3. RESPONSIBILITIES

- 3.1 The CRO is responsible for ensuring implementation and maintenance of this procedure.
- 3.2 HOD(s) shall ensure that nonconformities (actual or potential) identified within areas of their jurisdiction are corrected.

4. DEFINITIONS

- 4.1 Non conformity – non fulfilment of a requirement
- 4.2 Corrective action – action to eliminate the cause of a detected non conformity
- 4.3 Preventive action – action to eliminate the cause of a potential non conformity

5. ACTIVITY DESCRIPTION

- 5.1 Anyone in the organisation can identify and report a non-conformity by way of raising a non conformity report form.
- 5.2 The non-conformity report form shall be submitted to the Supervisor who will in turn submit it to the CRO after corrective or preventive action has been logged on the form.
- 5.3 The respective Supervisor shall institute investigations to determine the cause of the non-conformities and put in place appropriate actions to address the non-conformity.
- 5.4 Results of the corrective and preventive action taken shall be recorded on the non-conformity report form.
- 5.5 A review shall be conducted to check effectiveness of the instituted corrective and preventive action.
