1. PURPOSE

This procedure describes how SHE objectives and targets shall be set and programs put in place.

2. SCOPE

This procedure is applicable to environmental objectives and targets at ZETDC Eastern Region.

3. RESPONSIBILITIES

3.1 The CRO Manager shall ensure implementation and maintenance of this procedure.

3.2 The General Manager shall set global objectives and targets.

3.3 Each HOD shall be responsible for setting up objectives and targets for their Departments and implementation of programs.

4. DEFINITIONS

4.1 EMS -Environmental Management System.

4.2 SHE – Safety, Health & Environment.

4.3 SAZS – Standards Association of Zimbabwe.

4.4 ISO – International Organisation for Standardisation.

4.5 P - Procedure.

4.6 HOD – Head of Department.

4.7 SHE Objective - Overall environmental goal, consistent with the environmental policy, that an organisation sets itself to achieve.

5. ACTIVITY DESCRIPTION

5.1 SHE objectives and targets shall be set for some of the significant aspects which cannot be addressed by operational control procedure.

5.2 In establishing objectives and targets each Head of department shall consider the following factors

5.2.1 Some of the significant SHE aspects

5.2.2 Legal and other requirements to which the organisation subscribes.

5.2.3 Technological options

5.2.4 Financial and operational business requirements

5.2.5 Views of interested parties

5.2.6 SHE Policy

5.3 Each Head of department shall put in place programs for achieving the set objectives and targets.

5.4 All this information shall be recorded on an SHE Objectives, Targets and Programs form.

5.5 The objectives, targets and programs shall be reviewed in at least once every quarter.

5.6 The review will look at progress on actions set on the program and where the task would have been achieved the department will outline future plans.

5.7 If there is an action, which was not completed by the set, date an Objective action failure form has to be completed.

5.8 After all the actions in a program have been completed the CRO and the respective Head of department will assess effectiveness of the program.

5.9 If satisfied the program will be closed off by way of signing and the aspect re-scored.

5.10 If the actions are not assisting in achieving the objectives and targets, the actions will be reviewed as necessary.

6. RECORDS

The following records shall be generated from implementation of this procedure.

Document No	Name of record:	Custodian / location:	Retention period:
	Objectives, Targets and Programs	HOD	5 years
