Digital marketing plan

For INNOVERSAL BUSINESS DEVELOPMENT FIRM

Stage 1(online business profile)

The first step proposed is for the business to have a profile on the internet to enhance the search algorithm

Stage 2(business email)

We need to setup a business email with the business as a domain name

**“ASHIE'S PROFILE
WEB DESIGN AND SOFTWARE ENGINEERING SOLUTIONS”**

Stage 3(business website)

It is proposed that we setup a website that helps enhance the businesses online presence and visibility which helps ensure its authenticity

Stage 4(social media profiles)

The recommendation is that we create twitter, Instagram and facebook profiles for “INNOVERSAL BUSINESS DEVELOPMENT FIRM” this is to help interact with the general public and offer an opportunity for clients to ask questions and be answered in an instantaneous way in order to have a more informed clientele
