Stage 1

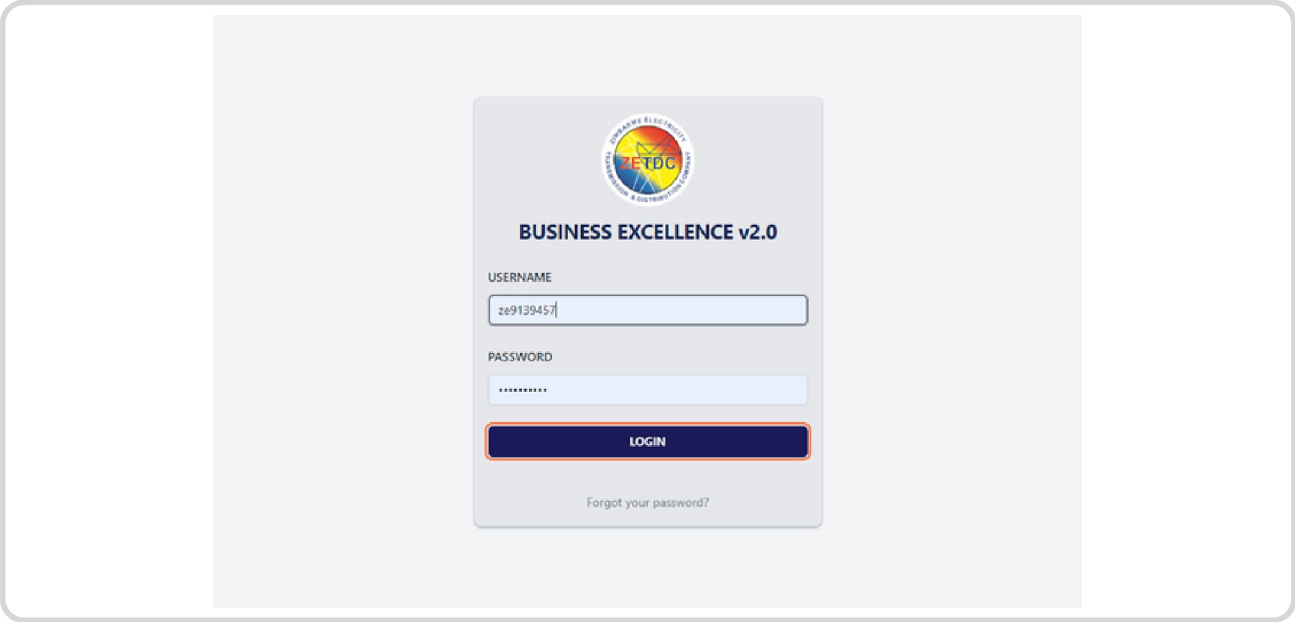

Type in username (username is EC number) and password

The screenshot shows a login interface for 'BUSINESS EXCELLENCE v2.0'. At the top is a circular logo for ZETDC (Zimbabwe Electricity Transmission & Distribution Company) with a rainbow-colored sunburst in the center. Below the logo, the title 'BUSINESS EXCELLENCE v2.0' is displayed. The form contains two input fields: 'USERNAME' and 'PASSWORD'. The 'USERNAME' field is highlighted with a red border and contains the text 'ze9139457'. The 'PASSWORD' field is filled with dots. Below these fields is a dark blue 'LOGIN' button. At the bottom of the form, there is a link that says 'Forgot your password?'.

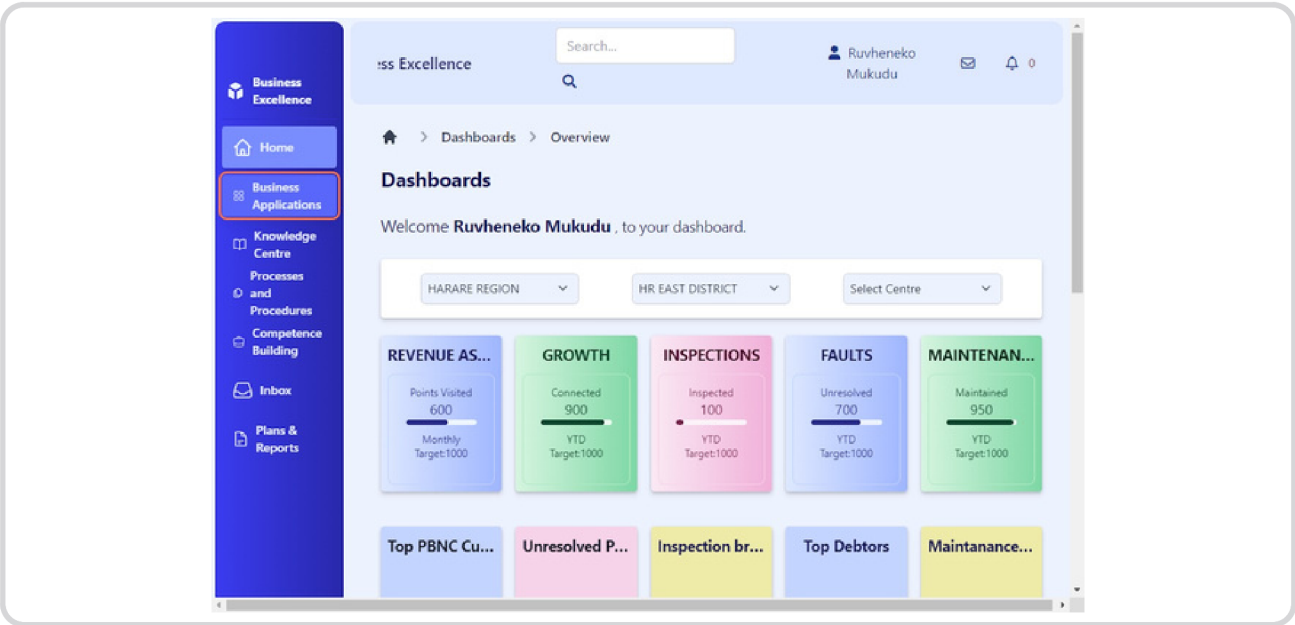

Stage 2

Click on LOGIN to gain access into the system.

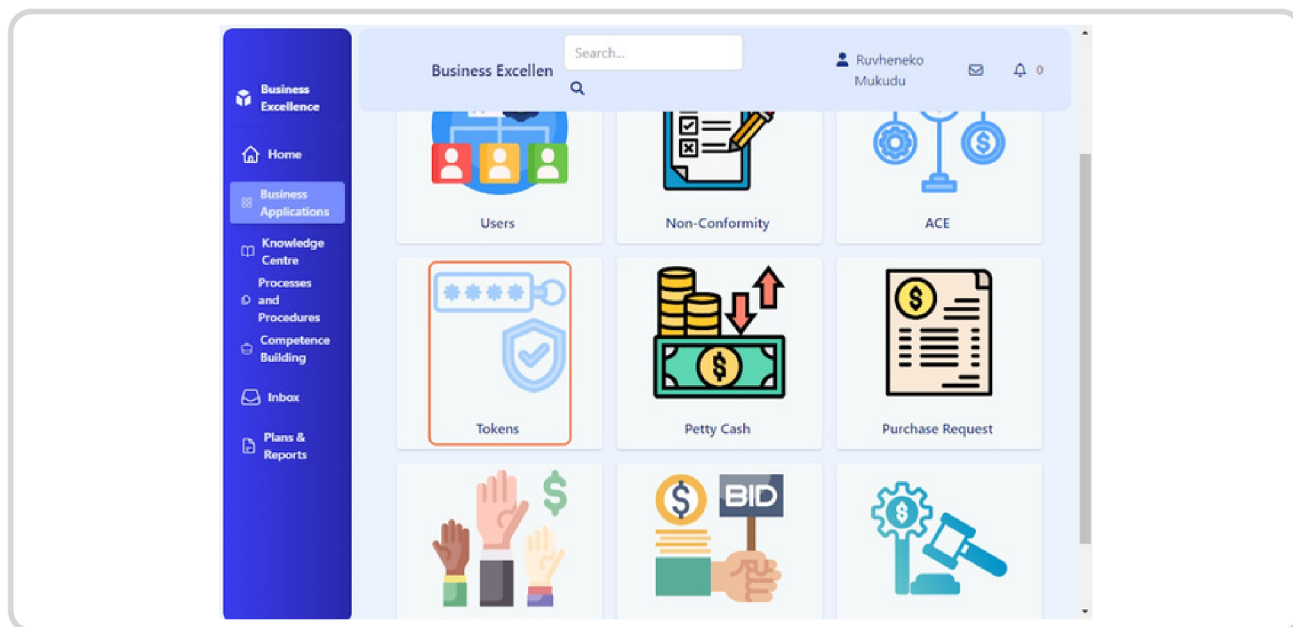

Stage 3

Click on Business Applications to access token application.

Stage 4

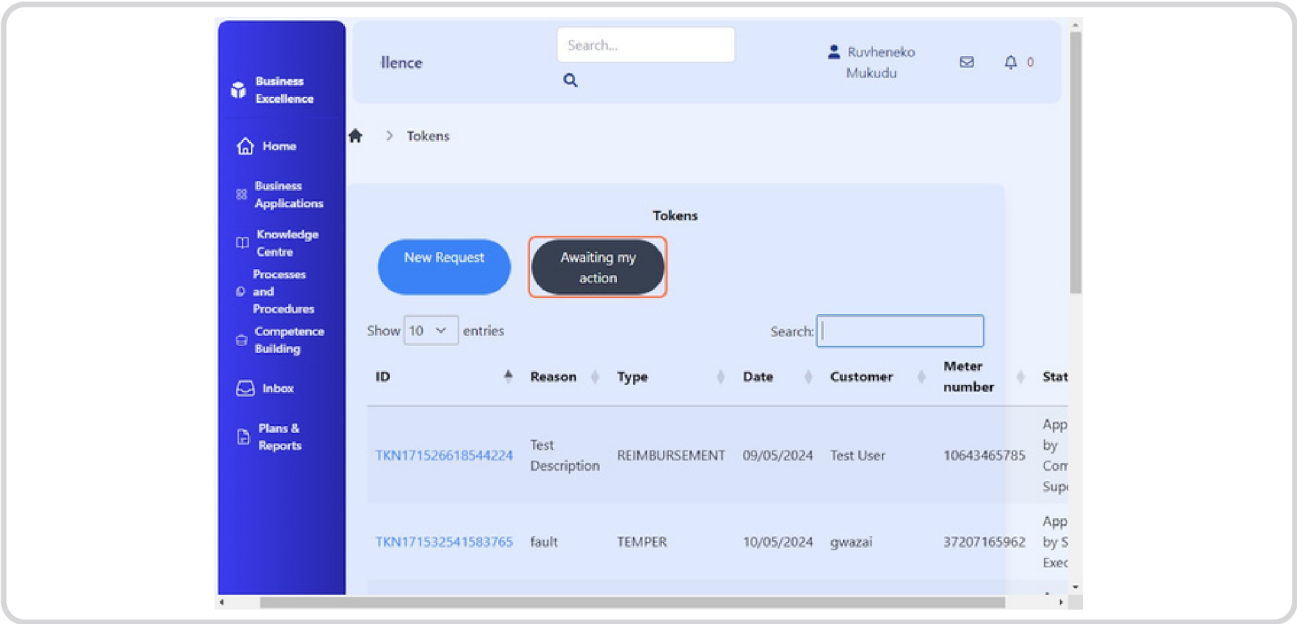

Step 1 - Click on Tokens as Senior Customer Service Officer(SCSO)

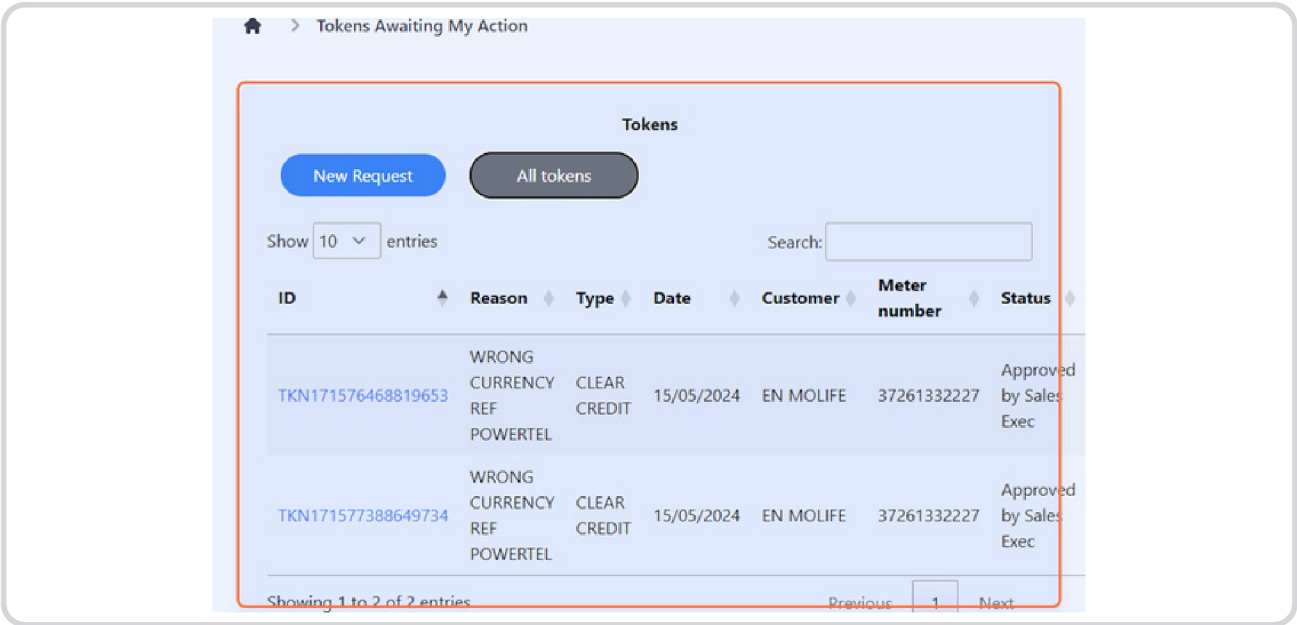

Step 2 - This view allows user to view all created Tokens.

Step 3 - Click on Awaiting my action to view Tokens Awaiting user’s action.

Step 4 - The status column will show user the status of each token.

Step 5 - Click on the Token ID to be actioned. For the selected token the status bar is blank communicating that the token hasn't been actioned by anyone yet.

Requester for reimbursement

Requester for clear credit

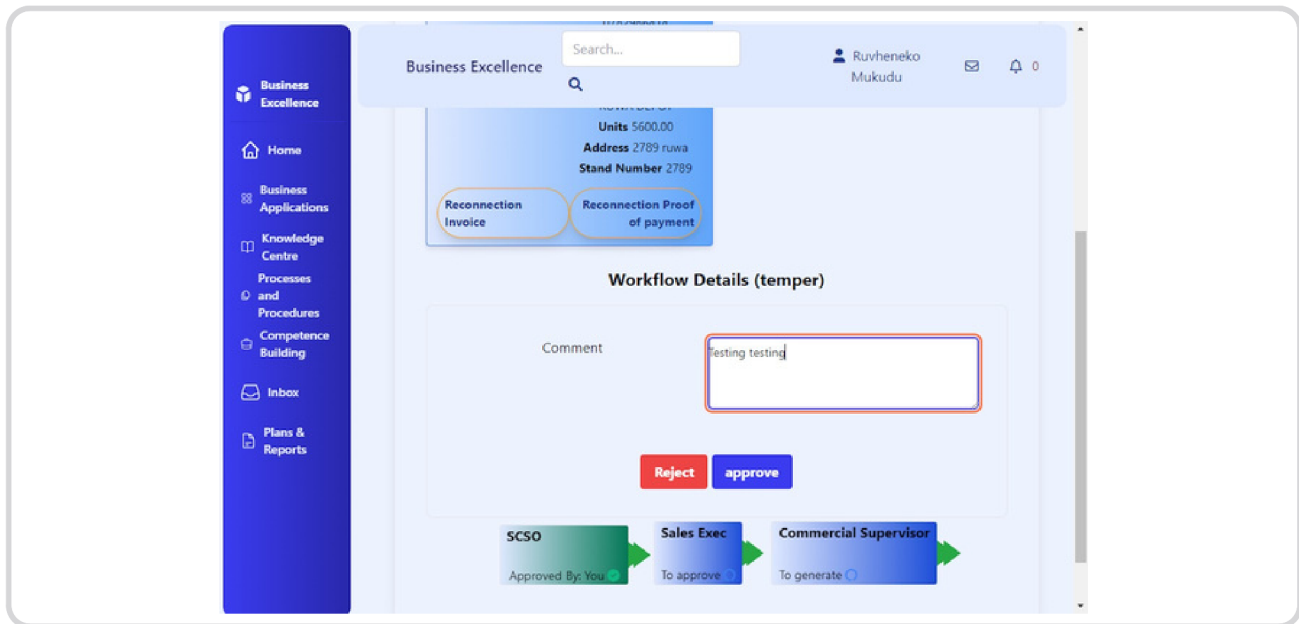

Step 5 - Click on the Token ID to view it's details.

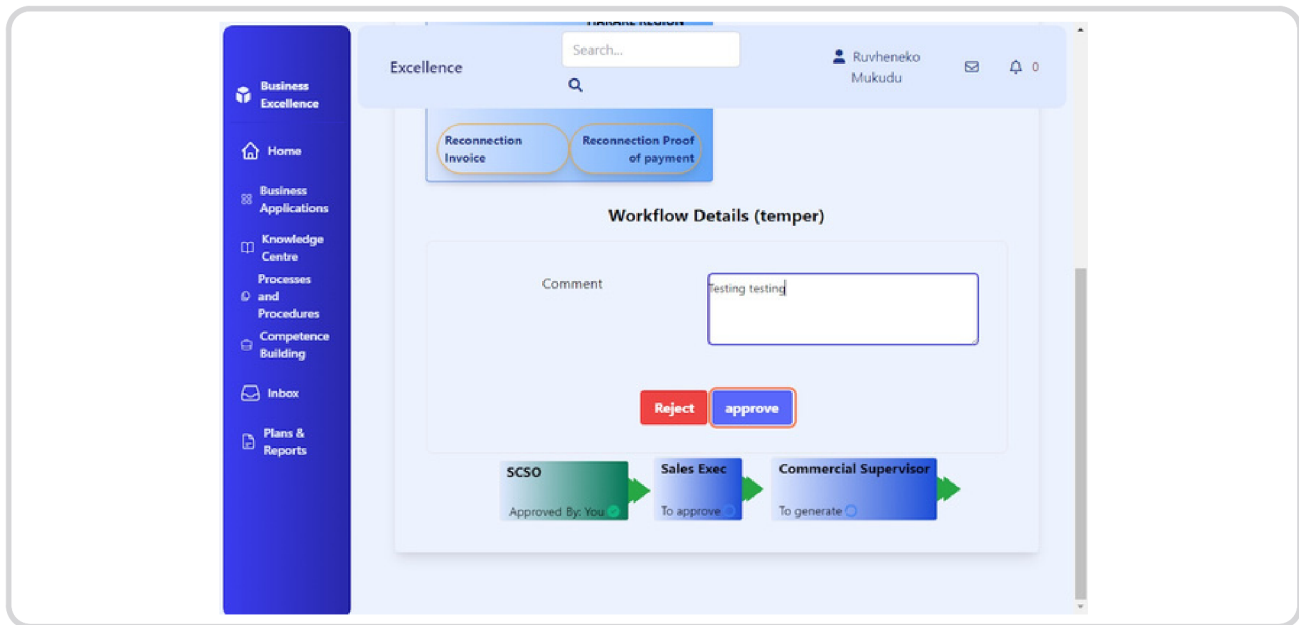

Step 6 - View the token details and Approvals Tab

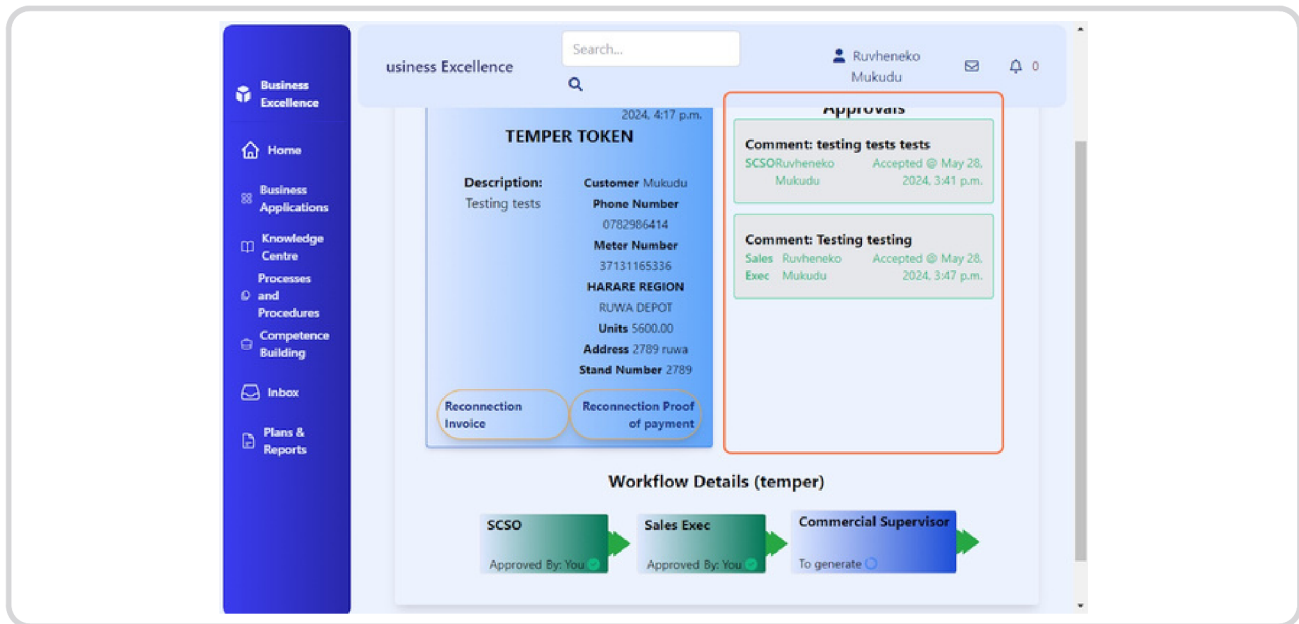

Step 7 - under workflow type in your comment. if rejecting a comment is a must.

Step 8 - Click approve or reject.

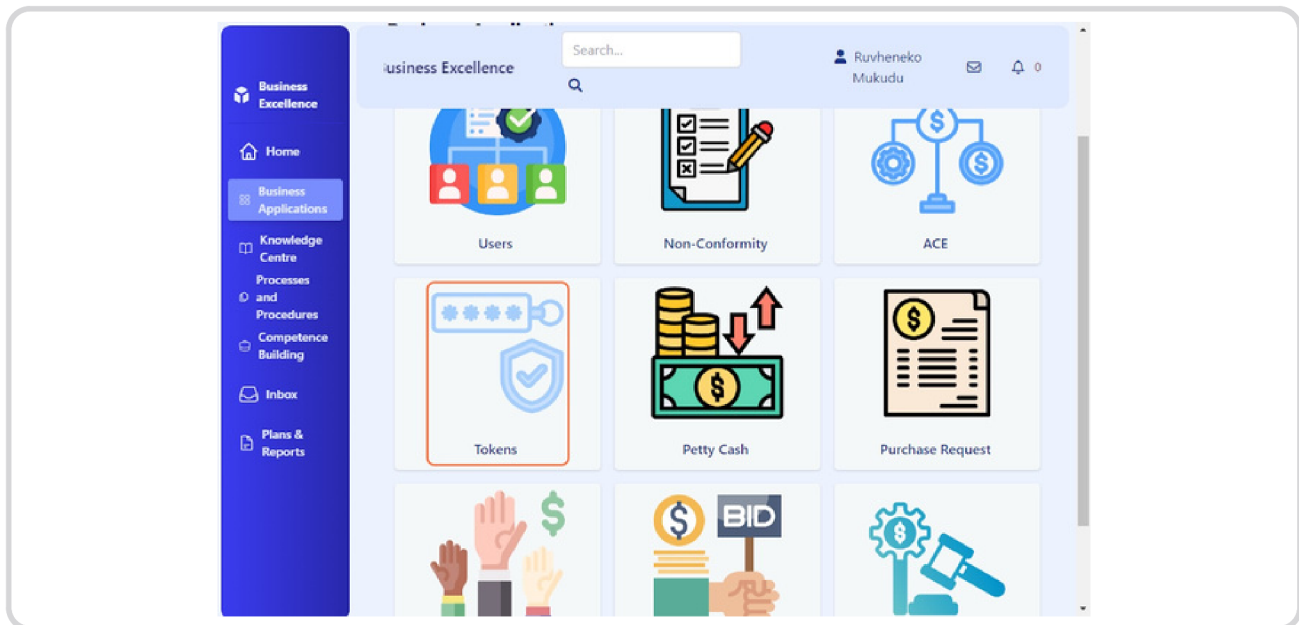

Step 8 - Approval tab and workflow details are updated.

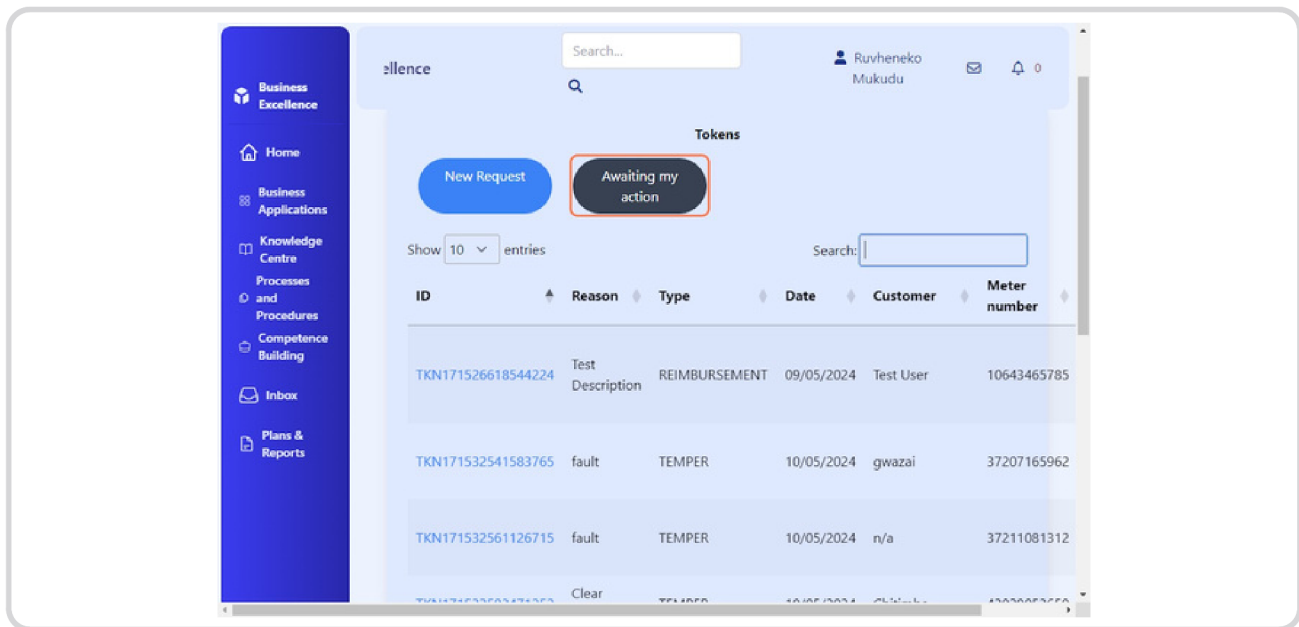

Stage 6 - Commercial Supervisor

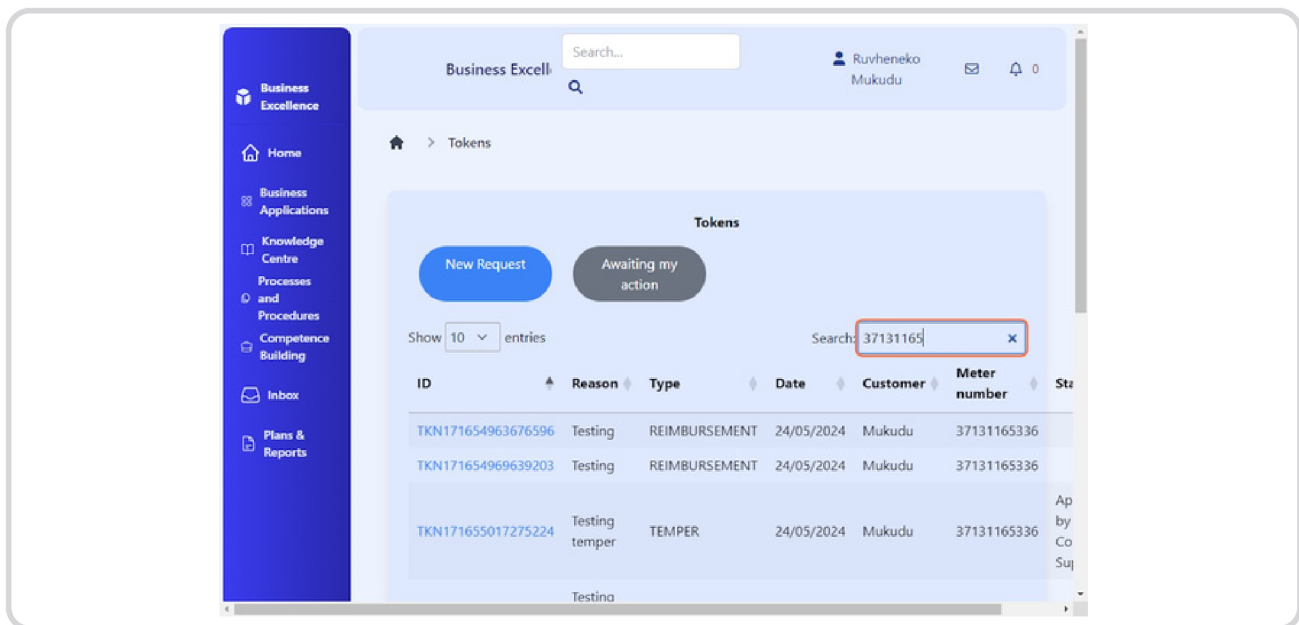

Step 1 - Click on Tokens

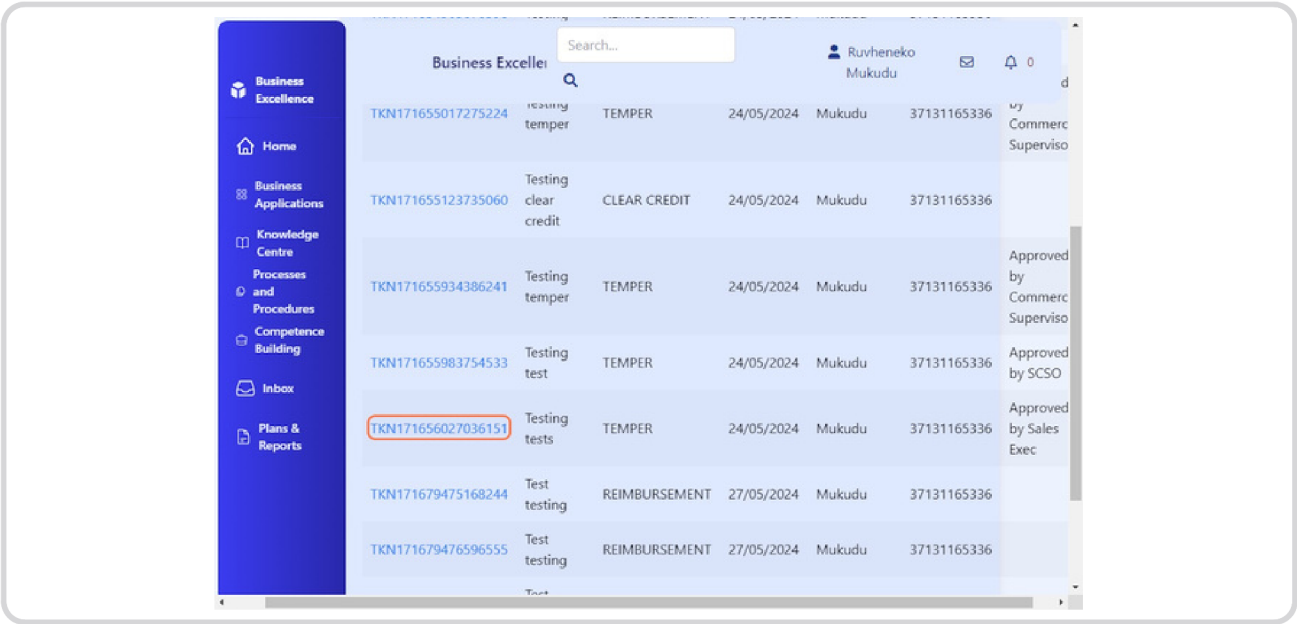

Step 2 - Click on Awaiting my action

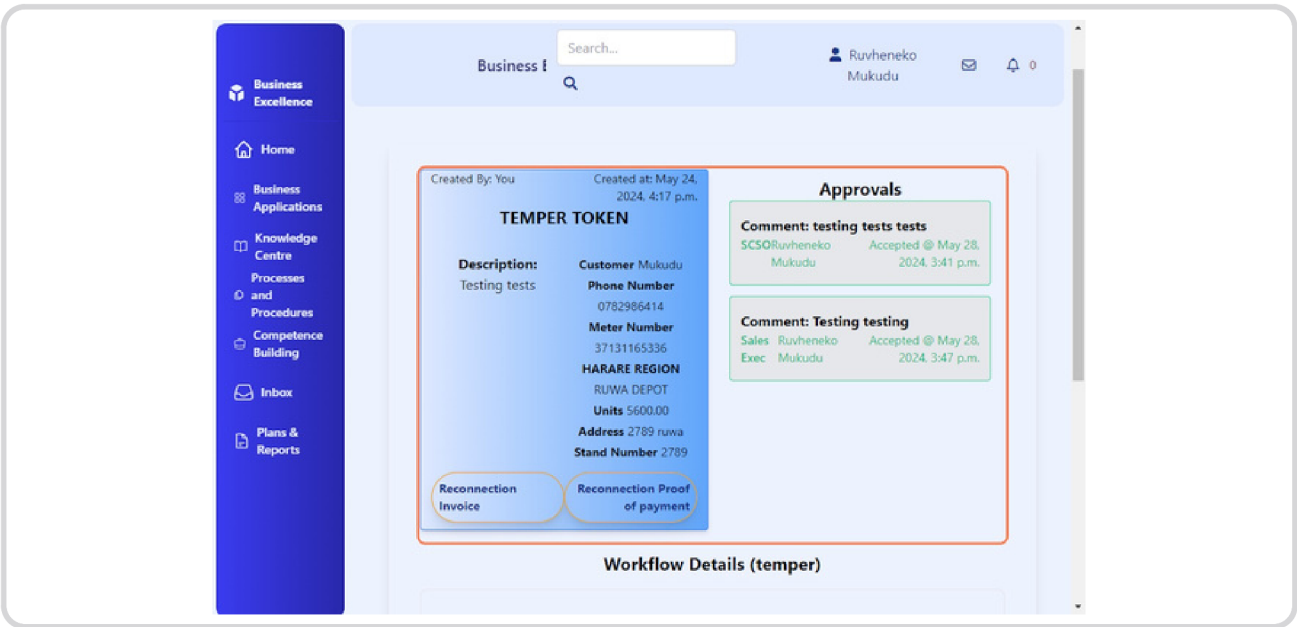

step 3- Type meter number to locate the token

Step 4 - click on the Token ID

Step 5 - View the token details

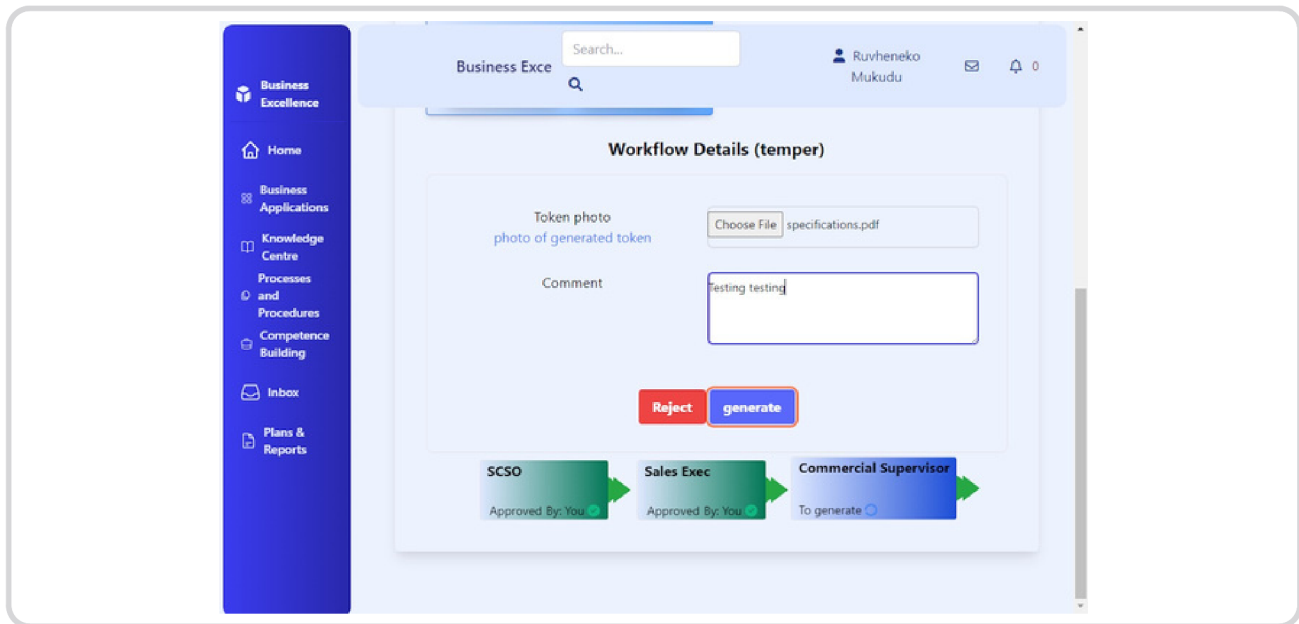

Step 6 - upload an image of the new Token

The screenshot shows a web application interface with a blue sidebar on the left containing navigation links: Business Excellence, Home, Business Applications, Knowledge Centre, Processes and Procedures, Competence Building, Inbox, and Plans & Reports. The main content area has a header with a search bar, a user profile for 'Ruvheneko Mukudu', and notification icons. Below the header, there are two buttons: 'Reconnection Invoice' and 'Reconnection Proof of payment'. The main section is titled 'Workflow Details (temper)'. It contains a form with a 'Token photo' label, a sub-label 'photo of generated token', a 'Choose File' button, and a text input field containing 'specifications.pdf'. Below this is a 'Comment' label and a larger text input field. At the bottom of the form are 'Reject' and 'generate' buttons. A workflow diagram at the bottom shows three steps: 'SCSO' (Approved By: You), 'Sales Exec' (Approved By: You), and 'Commercial Supervisor' (To generate). The 'Commercial Supervisor' step is highlighted with a blue background and a green arrow pointing to it.

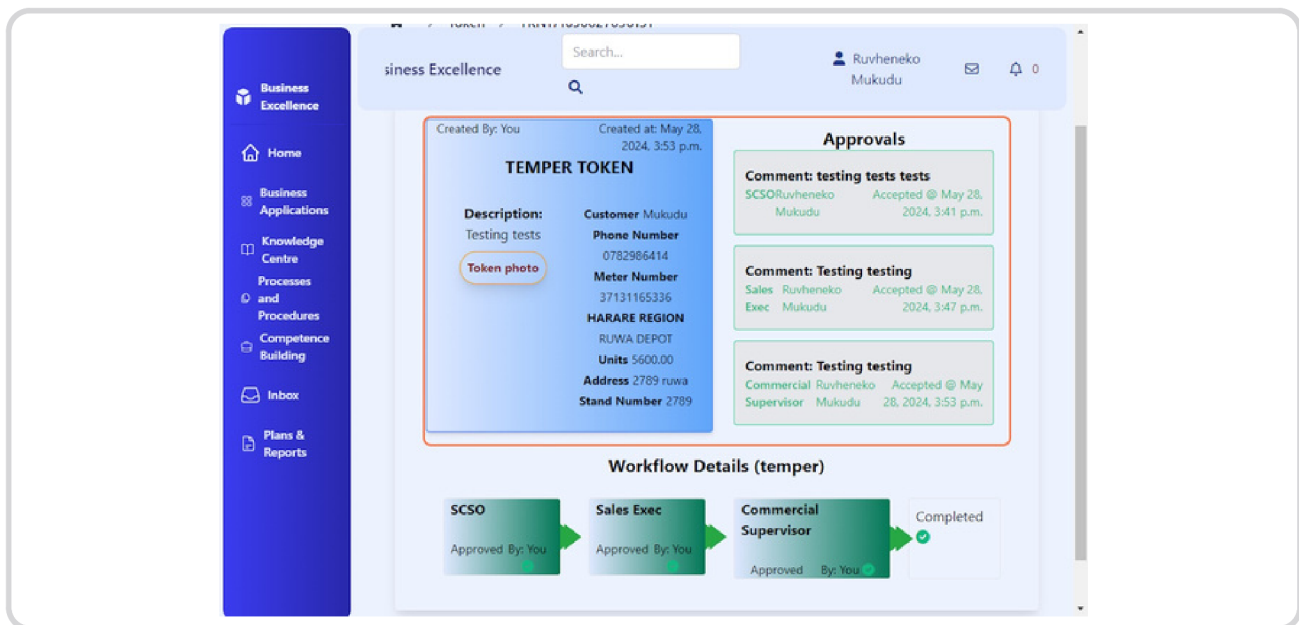

Step - 6 Type in a comment

This screenshot is identical to the previous one, but the 'Comment' text input field now contains the text 'Testing testing'.

Step 7 - Click on generate (or reject) to upload the new token

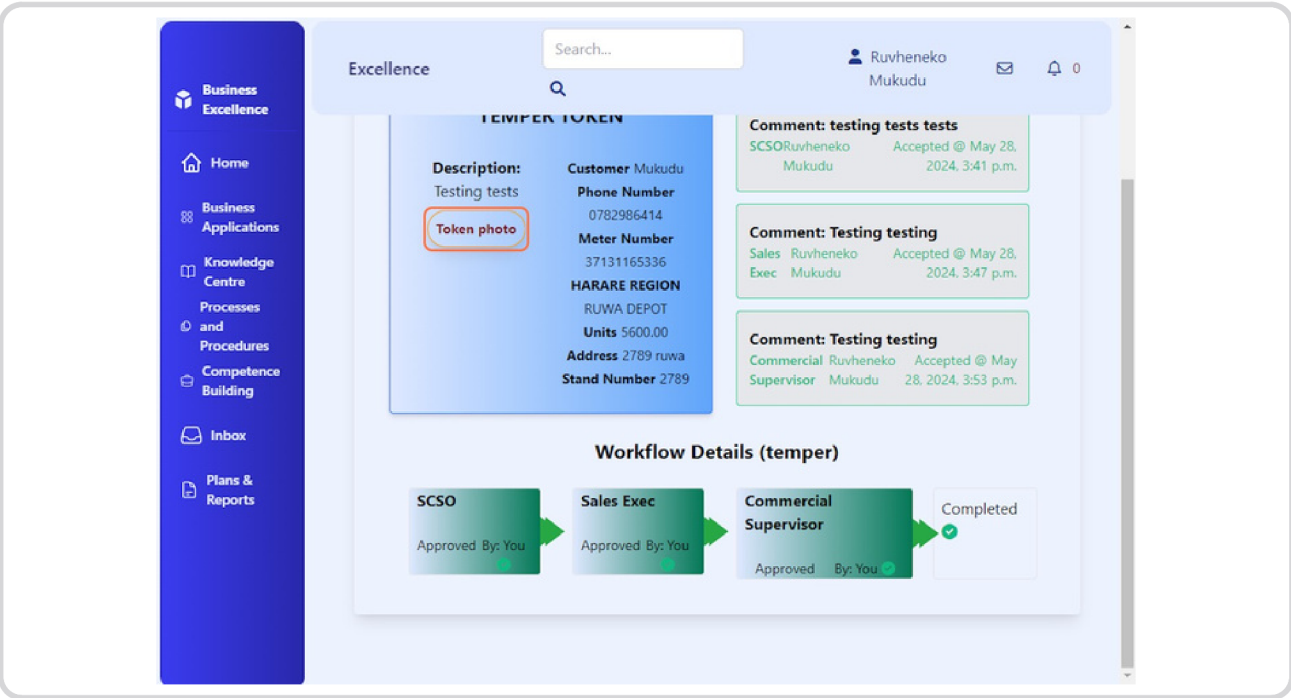

Step 8 - View the token details and workflow details after update.

Stage 7

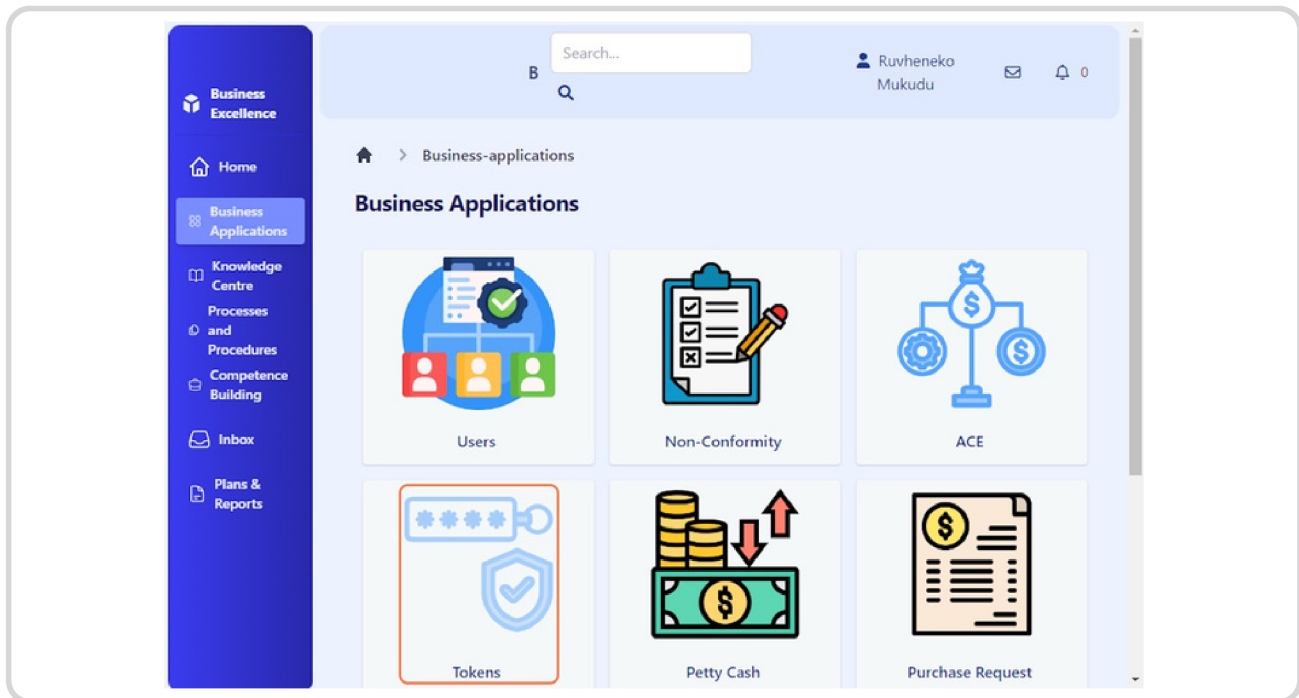

every user after clicking a completed Token will be shown this interface where the generated token will be viewed.

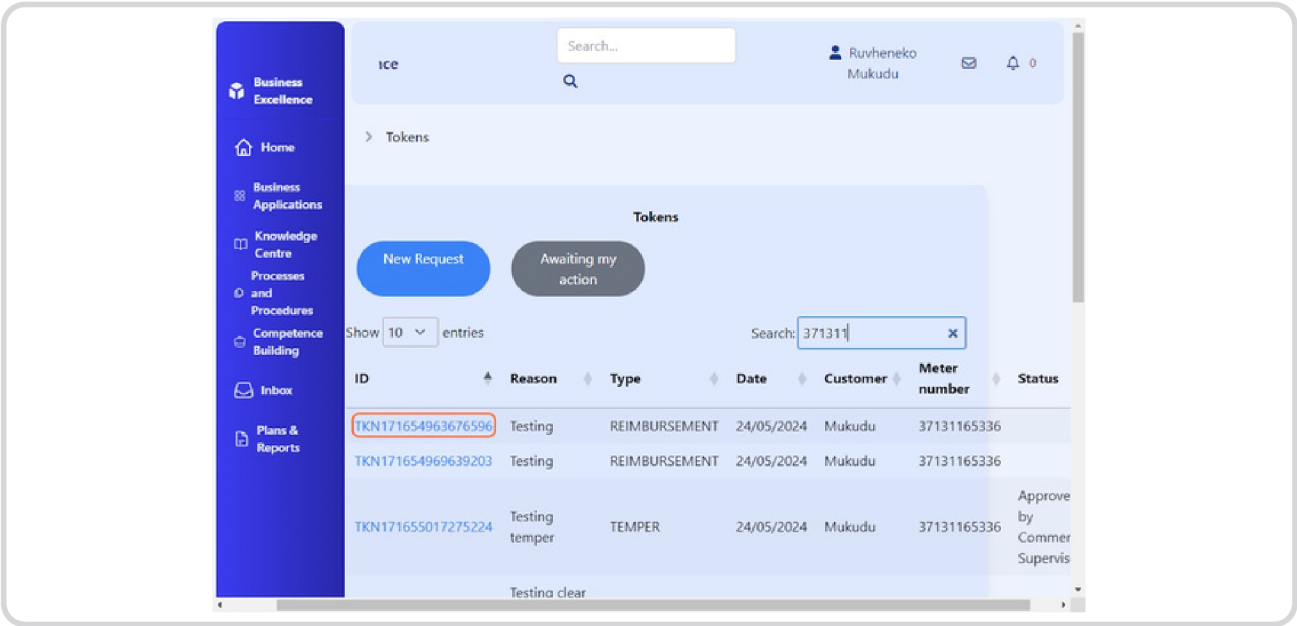

Reimbursement Token

Stage 1 Sales Exec

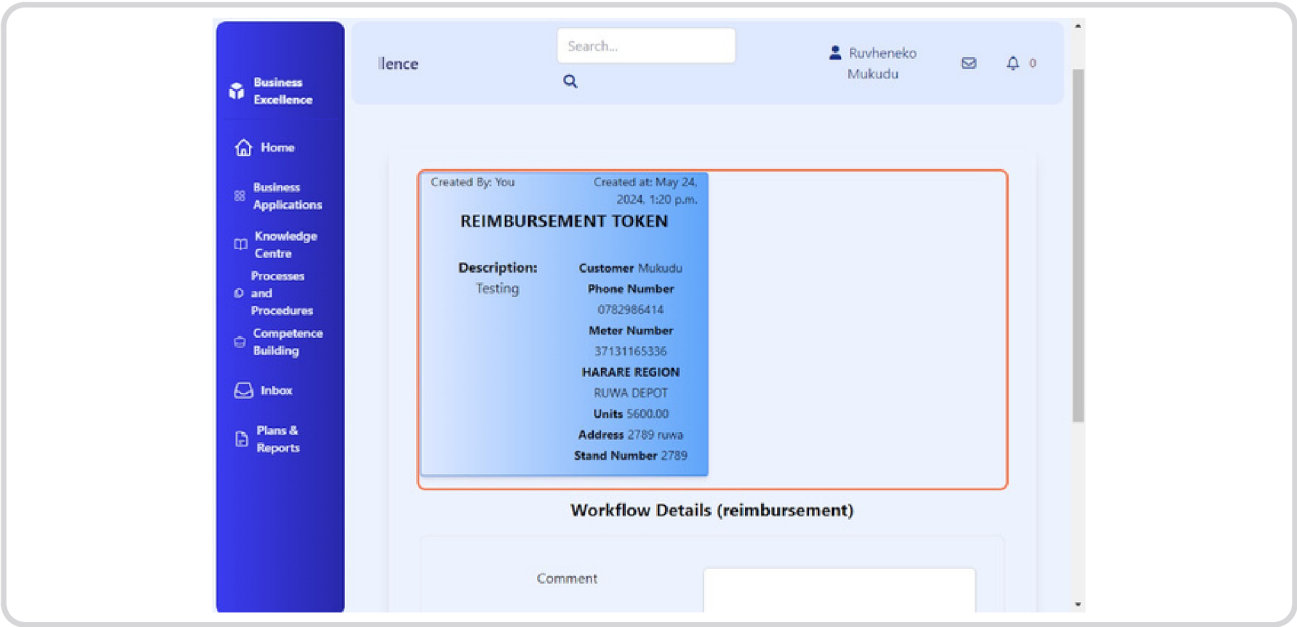

Step 1- Click on tokens

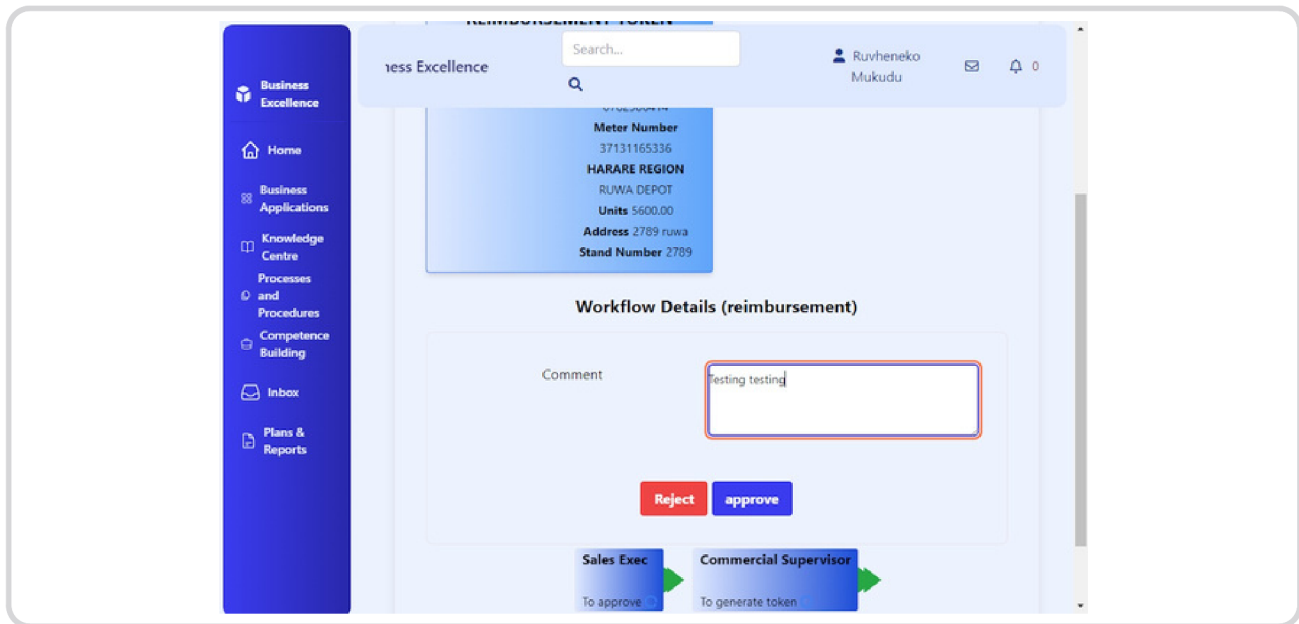

Step 2 - Click on the Token ID to view.

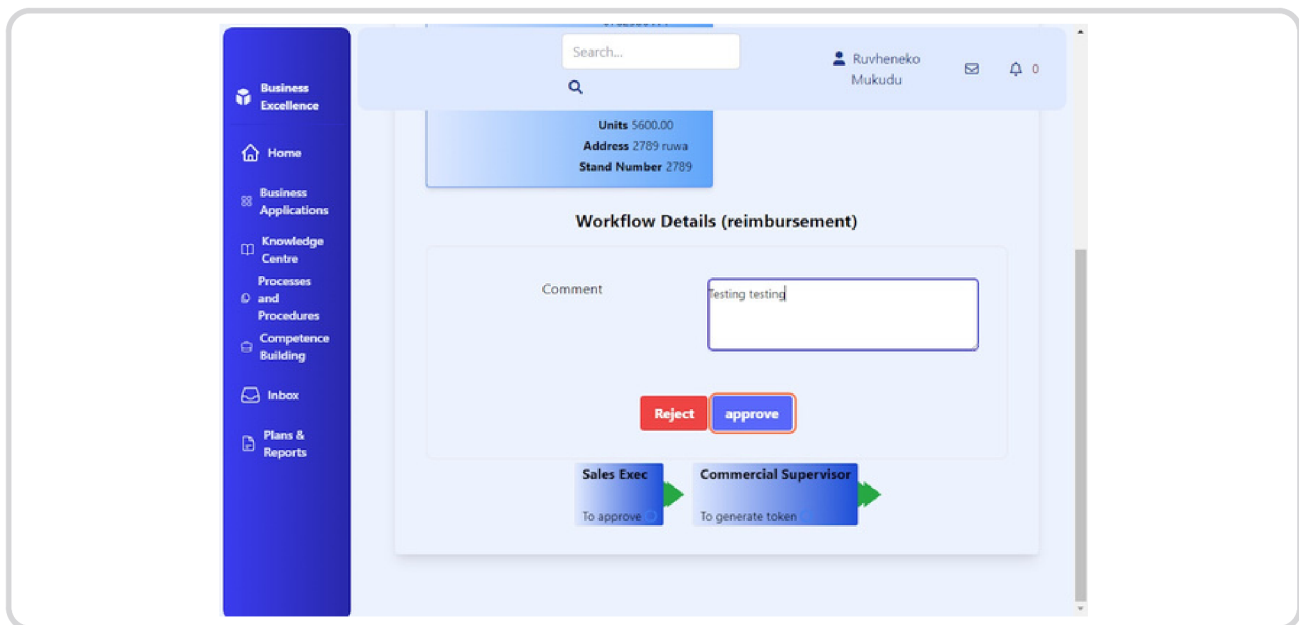

Step 3 - View token details.

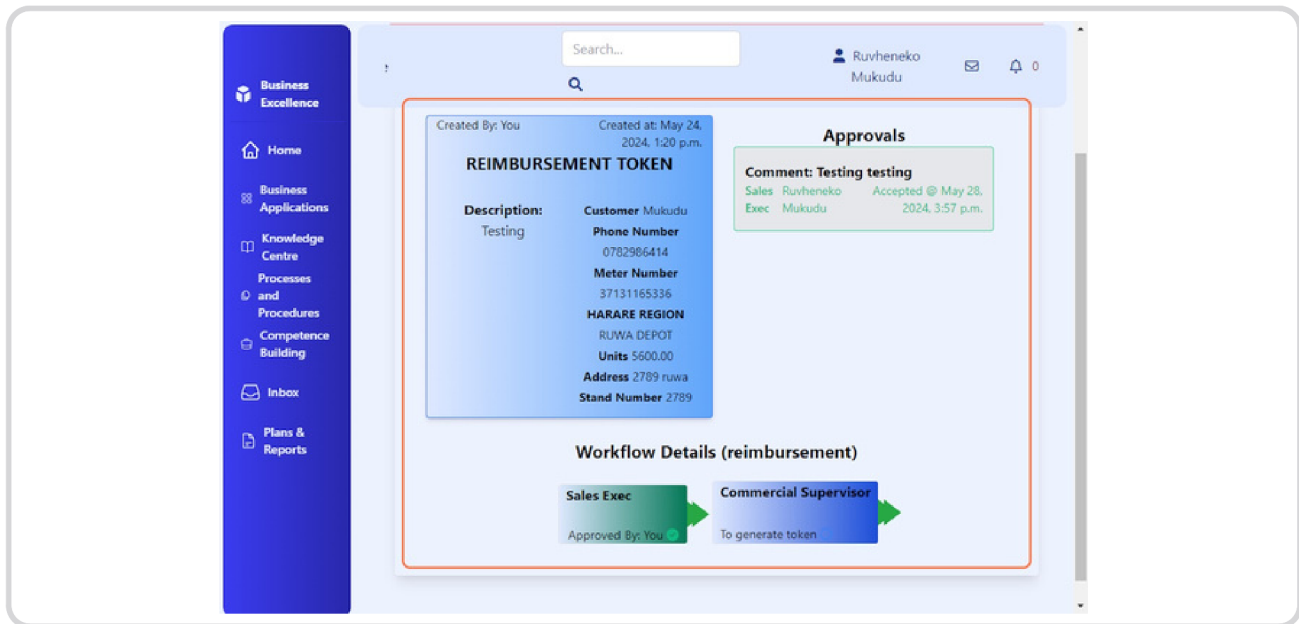

Step 4 - write a comment. for rejecting a comment is a must.

Step 5 - Click on approve

Stage 2 Commercial supervisor

Step 1 - Click on Tokens

Step 2 - Click on Token ID to view the details

The screenshot shows the 'Business Excellence' application interface. On the left is a blue sidebar with navigation links: Home, Business Applications, Knowledge Centre, Processes and Procedures, Competence Building, Inbox, and Plans & Reports. The main area displays a table of token details. At the top, there is a search bar with the text 'Search...' and a user profile for 'Ruvheneko Mukudu'. Below the search bar, there is a dropdown menu showing '10 entries'. The table has columns: ID, Reason, Type, Date, Customer, Meter number, and Status. The first row is highlighted, and the Token ID 'TKN171654963676596' is circled in red. The status for this row is 'Approved by Sales Exec'.

ID	Reason	Type	Date	Customer	Meter number	Status
TKN171654963676596	Testing	REIMBURSEMENT	24/05/2024	Mukudu	37131165336	Approved by Sales Exec
TKN171654969639203	Testing	REIMBURSEMENT	24/05/2024	Mukudu	37131165336	
TKN171655017275224	Testing temper	TEMPER	24/05/2024	Mukudu	37131165336	Approved by Commercial Supervisor
TKN171655123735060	Testing clear credit	CLEAR CREDIT	24/05/2024	Mukudu	37131165336	
TKN171655934386241	Testing temper	TEMPER	24/05/2024	Mukudu	37131165336	Approved by Commercial

Step 3 - under workflow details upload a new image of the generated token.

The screenshot shows the 'Business Excellence' application interface. On the left is a blue sidebar with navigation links: Home, Business Applications, Knowledge Centre, Processes and Procedures, Competence Building, Inbox, and Plans & Reports. The main area displays the 'Workflow Details (reimbursement)' form. At the top, there is a search bar with the text 'Search...' and a user profile for 'Ruvheneko Mukudu'. Below the search bar, there is a dropdown menu showing '10 entries'. The form has a 'Token photo' field with a 'Choose File' button and a text input field. Below this is a 'Comment' field. At the bottom, there are two buttons: 'Reject' (red) and 'generate token' (blue). Below the buttons, there is a workflow diagram showing a flow from 'Sales Exec' to 'Commercial Supervisor'. The 'Sales Exec' box is labeled 'Approved By: You' and the 'Commercial Supervisor' box is labeled 'To generate token'.
